THIRD PARTY LIABILITY. Every person on Glendining's or Phillips' premises at any time shall be deemed to be there at his or her risk. He or she shall have no claim against Glendining's or Phillips in respect of any accident which may occur or injury, damage or loss howsoever caused, save insofar as the injury, damage or loss shall be caused by the direct negligence of Glendining's or Phillips' employees.

STANDARD CONDITIONS OF SALE

1. **Definitions.** In these Conditions Glendining's, who act only as auctioneers and agents for the vendor, are called "the Auctioneers", and the representative of Glendining's conducting the auction is called "The Auctioneer". Reference to 'Glendining's' and the 'Auctioneers' shall include reference to the Auctioneer. Glendining's is a division of Phillips Son & Neale.
2. **General.** Whilst Glendining's make every effort to ensure the accuracy of their catalogue and the description of any lot:
 - (a) Each lot as set out in the catalogue or as divided or combined with any other lot or lots is sold by the vendor with all faults, imperfections and errors of descriptions.
 - (b) Glendining's do not accept responsibility for the authenticity, attribution, genuineness, origin, authorship, date, age, period, condition or quality of any lot, unless they have been instructed in writing by the vendor so to certify, and in such case the Auctioneers do so as agents of the vendor and are not themselves responsible for such claims.
 - (c) All statements, whether printed in the catalogue or made orally, as to any of the matters set out in (b) above are statements of opinion only and are not to be taken as being or implying any warranties or representations of fact by Glendining's, unless they have been instructed in writing by the vendor so to certify, and in such case the Auctioneers do so as agents of the vendor and are not themselves responsible for such claims.
 - (d) Any claim under any Statute must be received in writing by Glendining's within ten days of the day of the sale.
3. **Copyright**
 - (a) The text of all Glendining's catalogues is subject to Glendining's copyright and must not be reproduced in any form nor entered into a retrieval system except by Glendining's express written consent.
 - (b) The vendor authorises Glendining's to commission and publish in its catalogues photographs or illustrations of his objects so far as Glendining's in their absolute discretion think advisable.
4. **The Auction.**
 - (a) The Auctioneer has absolute discretion to divide any lot, to combine any two or more lots or to withdraw any lot or lots from the sale, to refuse bids, regulate bidding or cancel the sale without in any case giving any reason or without previous notice. He may bid on behalf of the vendor for all goods which are being offered subject to reserve or at the Auctioneer's discretion.
 - (b) The highest bidder shall be the buyer except in the case of a dispute. If during the auction the Auctioneer considers that a dispute has arisen, he has absolute discretion to settle it or to re-offer the lot. The Auctioneer may at his sole discretion determine the advance of bidding or refuse a bid.
 - (c) Each lot is put up for sale subject to any reserve price placed by the vendor. Where there is no reserve price (but not otherwise) the seller has the right to bid either personally or by any one person (who may be the Auctioneer).
 - (d) All conditions, notices, descriptions, statements and other matters in the catalogue and elsewhere concerning any lot are subject to any statements modifying or affecting the same made by the Auctioneer from the rostrum prior to any bid being accepted for the lot.
5. **Rescission.** Notwithstanding any other terms of these Conditions, if within fourteen days after the sale Glendining's have received from the buyer of any lot notice in writing that in his view the lot is a deliberate forgery and within twenty-one days after such notification the buyer returns the same to Glendining's in the same condition as at the time of sale and by producing evidence, the burden of proof to be upon the buyer, satisfies Glendining's that considered in the light of the entry in the catalogue the lot is a deliberate forgery, then the sale of the lot will be rescinded and the purchase price of the same will be refundable by the vendor. In the event of a dispute then the matter shall be settled by arbitration, the arbitrator to be nominated by the President of the Royal Institution of Chartered Surveyors. Both the buyer and the vendor agree to be bound by the decision of the arbitrator.
6. **Default.** Glendining's disclaim responsibility for default by either the buyer or the vendor because they act as agents for the vendor only and therefore do not pay out to the vendor until payment is received from the buyer. Instructions given by telephone are accepted at the sender's risk and must be confirmed in writing forthwith.
7. In the event of a sale by private treaty both the vendor and the buyer agree to be bound by the General and any Special Conditions of Sale.
8. **Loss or Damage.** Glendining's and Phillips disclaim all responsibility for loss or damage to goods or for unauthorised removal of goods unless caused by the direct negligence of their employees.
9. **Notices.** Any notices required to be given to the vendor or buyer under these terms and conditions shall be deemed to have been delivered on the second working day after posting (irrespective of the then location of the addressee)
 - (a) to the vendor at his address given to Glendining's at the time the lot was submitted for sale or
 - (b) to the buyer at the address given by him or on his behalf to Glendining's at the sale (which shall be the address of his agent if no other is given) or at his normal place of residence or business.
10. **Reserves.**
 - (a) All goods are put up for sale WITHOUT RESERVE at the Auctioneer's discretion unless written instructions as to reserves are received by Glendining's prior to the commencement of the sale.
 - (b) In the event of any reserve price not being reached at auction Glendining's are empowered to sell after the auction, by private treaty, at not less than the reserve price, as long as the goods remain on Glendining's premises. In the event of such a sale by private treaty the Conditions of Sale applicable to a buyer governing the auction will apply.
11. **Value Added Tax.** A vendor who sends for sale by auction any chattel(s) which is an asset of his business must disclose to Glendining's whether or not he is a registered person for Value Added Tax purposes and, if so, his registered number and whether or not he intends to operate the special scheme covering works of art, etc. This information must be supplied to Glendining's on or prior to delivery of the goods.
12. The vendor authorises Glendining's to deduct commission and expenses at the stated rates from the hammer price and acknowledges Glendining's right to retain any premium payable by the purchaser.

BUYERS CONDITIONS

13. **Inspection.** Each buyer by making a bid for a lot acknowledges that he has satisfied himself fully before bidding by inspection or otherwise as to all the Sale Conditions the physical condition of and description of the lot including but not restricted to whether the lot is damaged or has been repaired or restored.
14. **Property and Risk.** Legal title will not pass to the buyer until the lot(s) has been paid for in full and the Auctioneers shall be entitled to a lien on any lot sold until the purchase price (as defined in 22 below) is paid in full but each lot is at the sole risk of the buyer from the fall of the hammer. Each buyer shall forthwith give his full names and permanent address and if called upon to do so by Glendining's shall forthwith pay to Glendining's such proportion of the purchase price as Glendining's may require. If the buyer fails to do so, the lot may at the Auctioneer's sole discretion be put up again and re-sold and any shortfall between the proceeds of this second sale (net of Glendining's normal charges for sale) and the amount outstanding from the buyer in respect of the first sale shall be payable by the original bidder. Any surplus arising on this second sale shall be payable to the original vendor of the item after deduction of Glendining's charges.
15. Every bidder shall be deemed to act as principal unless there is in force a written acknowledgement by Glendining's that he acts as agent on behalf of a named principal.
16. **Removal of Goods.**
- (a) No purchase shall be claimed or removed until it has been paid for and the sale has been concluded. All purchases shall be paid for and removed at the buyer's risk and expense by the end of the second working day after the sale, failing which Glendining's shall not be liable if the same are lost, stolen, damaged or destroyed, and all lots not so removed shall remain at the risk of the buyer and subject to a minimum warehousing charge of £2.00 per lot per day. If they are not paid for and removed within seven days of the sale Glendining's may cancel the sale to the buyer or may resell them by auction or privately, in either case without notice to the buyer. Any liability which there may be on the part of Glendining's in respect of any loss shall be restricted to a maximum of the price paid by the buyer of the lot. Glendining's reserve the right to sell goods not collected in accordance with the above condition so as to defray casts and storage charges. Such sales may be made without reference to the buyer.
- (b) In the event of any failure of the buyer to comply with any of the above conditions the damages recoverable by the seller or the Auctioneers from the defaulter shall include any loss arising on any re-sale of the lot, together with the charges and expenses in respect of both sales, legal costs and expenses incurred in pursuing any sums due from the defaulter and interest in respect of the period from the date of the sale to the date of settlement of all amounts outstanding calculated on a daily basis at 3% above National Westminster Bank plc

Base Rate upon all amounts due by the defaulter which have not been paid for within 48 hours of the sale, and any money deposited in part payment shall be held by the Auctioneers on account of any liability of the defaulter to them or to the seller. The Auctioneers are unable to accept payment from successful bidders other than in cash or by the bidder's own cheque. Cheques drawn by third parties, whether in Glendining's favour or requiring endorsement, cannot be accepted.

17. **Purchase Price.** The purchaser of any lot shall pay the hammer price plus a premium (together with VAT on the premium for all lots and on the hammer price if applicable to that lot). Except for sales of coins, medals, stamps and wine, the premium shall be calculated at 15% on the first £30,000 of hammer price of each lot plus 10% of that hammer price in excess of £30,000. For sales of coins, medals, stamps and wine, the premium shall be 10% of the hammer price. The premium at the appropriate rate is payable by all purchasers. The vendor authorises Glendining's to deduct commission and expenses at the agreed rates from the hammer price and the purchaser and the vendor acknowledge Glendining's right to retain the premium payable by the purchaser. Any payments by the purchaser to Glendining's will be applied by Glendining's in their absolute discretion against any account outstanding from the purchaser irrespective of any requests as to allocation of such payments made by the purchaser of his agent.
18. **Rights to Photographs and Illustrations.** The buyer gives Glendining's full and absolute right to use such photographs and illustrations of lots sold at auction at any time at its absolute discretion (whether or not in connection with the auction).

IMPORTANT NOTES

Glendining's may, at its absolute discretion, arrange to accept telephoned instructions to bid during an auction on behalf of those who have made arrangements prior to the sale. In such cases, whilst Glendining's will endeavour to contact each person who has previously requested such facilities, Glendining's cannot be held responsible in any way if, for any reason whatsoever, they are unable to contact the intending bidder in time for the clerk in the room to receive bidding instructions whilst the lot is being offered. All instructions to bid over the telephone are subject to Glendining's Terms and Conditions of Sale as published in the catalogue and to any announcement made by the Auctioneer in the saleroom prior to the fall of the hammer in respect of the lot on offer. It is the intending bidder's responsibility to acquaint himself with such terms and announcements.

Those wishing to arrange bids over the telephone should assume that their conversation will be recorded but that no announcement of this fact will be made at the time.

END OF SALE

GENERAL INFORMATION FOR BUYERS

An asterisk (*) lot indicates the lot is illustrated.

A dagger (†) after the Lot number indicates the Lot is subject to VAT by the Buyer on the Hammer Price. This is refundable to Overseas Buyers on proof of Export within 28 days of the date of Sale.

All Lots in this Sale are subject to a BUYER'S PREMIUM of 10% which attracts VAT at the Standard Rate and is payable by ALL BUYERS

ESTIMATES

The estimated selling price of each lot is printed beside the lot description and does not include the Buyer's Premium (or VAT, when this is payable on the hammer price, as indicated by the symbol †). The estimates are prepared well in advance of the sale and are not definitive, and are subject to revision.

BIDS

We will be pleased to execute bids (in the name of Graham) on behalf of intending buyers, and no charge is made for this service. Lots will be purchased as cheaply as permitted by other bids and reserves. Bids must be submitted to Glendining & Co at least one hour before the sale commences, and should be entered on the forms provided. Bids by telephone and fax are accepted only on the condition that they are at the sender's risk, and must in any case be confirmed in writing.

Overseas customers are urged to use these facilities, but all communications must be headed GLENDINING'S. We regret that bids left on our Answerphone service cannot be accepted.

PAYMENT BY CHEQUE

Please note that cheques under £100 will be accepted with a Banker's Card. Cheques for the payment of purchases over this amount must be cleared through our bank before goods can be delivered.

PAYMENT BY OVERSEAS CUSTOMERS

Payment should be made in *Sterling* in the form of cash, cheques drawn on a U.K. clearing bank, or by means of a banker's draft or telegraphic or cable transfer directly into our bank account, quoting the original invoice number.

Unless prior arrangements have been made, and payment is made by any other means, then the customer will be liable for any bank or collection charges concerned, and any losses arising from the conversion of foreign currencies into sterling.

NATIONAL WESTMINSTER BANK plc, 21 Hanover Square, London W1A 4ZE. Tel: 071-493 7602.

PAYMENT BY ACCOUNT CUSTOMERS

Customers who have established Credit Accounts with Glendining's, are reminded that full settlement must be received within 10 days of each auction. We offer no system of monthly accounts. Overseas customers, for whom this schedule may be hard to honour, are reminded that any goods sent prior to settlement must be paid for in full immediately upon receipt of the goods.

POSTAGE DETAILS

Where possible all items are sent by Registered Post. The minimum charge for this within the U.K., including insurance, is £5, and for all Overseas, £7, increasing in amounts of £2, depending on the weight, etc. These rates include insurance cover within the U.K. up to the value £2,200, and for the Rest of the World £850.

Thereafter additional Insurance is then charged on all packets, in relation to their value, at the following rates:

£2,501	£5,000	£20

Items that require sending by Parcel Post, are insured at the same rates, together with the appropriate charge for postage.

(All postage and insurance charges are subject to VAT)

COLLECTION AND SHIPPING OF BOOKS (AND OTHER LARGE ITEMS)

If purchases cannot be collected from Glendining's premises within seven days, their despatch will be handled by an independent shipping company, and a separate invoice will be raised. It would help if specific instructions are sent with each commission, or when placing bids.
